Advantage SCI, a professional services firm staffed by former U.S. intelligence community, military counterintelligence, special forces, and FBI professionals, launched a new iPhone App, iTravelSafe™ this week.

iTravelSafe™ combines information from

- ◆ U.S. Department of State
- ◆ Central Intelligence Agency
- ◆ Federal Bureau of Investigation
- ◆ Expert analysis from our in-house staff of professionals

Every trip has risks.

Includes Google maps for each country – interactive with GPS directions.*

The new iTravelSafe™ Version 1.0, at 11.7 megabytes, is only \$4.99 at the iTunes Apple Store online under Travel Apps.

iTravelSafe™ provides the latest push notifications by State Department.

Put the power of information into your hands!

- ◆ Know the dangers before you travel
- ◆ Keep yourself from becoming a target
- ◆ Remain up-to-date while you travel
