PROVEN SOLUTIONS

At Advantage SCI, we leverage a winning team to deliver proven solutions with strategic impact. Since 2000, Advantage SCI has delivered tailored, timely, and transformative professional services - intelligence, cyber, administrative, security, and HR/Finance solutions to address our customers' most dynamic and demanding challenges. Our customers include: Department of Homeland Security, DHS Watch Office, Department of Treasury, U.S. Army, U.S. Air Force, Joint Chiefs of Staff, DIA, and other Federal agency clients.

WINNING TEAM

Our team of program managers are proven leaders and problem solvers with decades of subject matter expertise supporting the U.S Government and Intelligence Community with investigations, analysis, and operations; Cyber Security and Insider Threat; Counterintelligence (CI) policy; Counterespionage Damage Assessments; Overseas Linguist Support; Human Intelligence (HUMINT) policy, operations, and management; Security (Industrial, Physical, Personnel, Administrative, Finance, HR, and Cyber); Red Team Execution; Technical Surveillance Countermeasures (TSCM); and Signature Reduction; Acquisition Support, Logistics, Training, Instruction, A&AS, and FMS.

Our Capabilities:

STRATEGIC IMPACT

With Advantage SCI, our customers are:

- Enabling U.S. counter-terrorism and capacity building initiatives overseas
- Leveraging decades of CI operational and investigative experience to counter domestic and international threats to our Nation's most critical programs
- Executing CI analysis and cyber / insider threat detection and prevention programs for deterring, detecting, and mitigating insider threats, including the safeguarding of classified information from exploitation, compromise, or other unauthorized disclosure
- Supporting National counter-proliferation programs and priorities
- Monitoring the U.S. Global Nuclear Detection Architecture and implementing domestic nuclear detection efforts for a managed and coordinated response to radiological and nuclear threats
- Facilitating situational awareness through information sharing, analysis, and investigations
- Providing niche support to DoD Special Access Programs focused on countering over-the-horizon threats
- Driving physical, personnel, cyber, and industrial security awareness and initiatives at state, local, and national levels
- Supported globally by Advantage SCI's team of expert technicians, analysts, and investigators
- Executing complex missions in hostile environments supported by Advantage SCI CAT II and CAT III linguists
